FNAZ Lore Book

Daniel decided to open a theme park Made from the left over money from both previous and current restaurants the name of the theme Park is called fredbear land it was also a success. Danny bandaged hes scars and decided to open hes own restaurant called goldie para diner it wasnt doing good. Daniel also hired a guy names jacob who performs as a clown in the restaurant but a terrible incident happened...

Meanwhile Daniel was wondering around the neigbourhood and found a strange news paper articel about a five missing children incident near the now defunt Freddy fazbear pizza he din't care much and decided to throw the news paper in the trash can

Jacobs son Manfred gets bullied by hes older brother Alan and he and hes other bully friends throws him at the golden frankburt animatronic mouths and then Manfred gets crushed alive. Blood spills everywhere Jacob witness all of this and falls to hes knees he then sheeds a tear before screaming loudly

The restaurant was permanently closed danny has no plans to sell the feanchince and so goldie para diner and ITS existed is abandoned. Later that day Daniel finds books left from the night guard Fritz they have strange little details like the animatronics trying to kill him or something but Daniel ignores it saying it is nonsense but when Daniel keeped reading at the end of the book it said

ZOM WENT INTO MY OFFICE THE POWERS DOWN LETS HOPE HE DOESNT FI- then it cuts and in the bottom was blood and eye balls. Daniel immediatly closed the book at closed the restaurant for a week saying it needs some renovation

Daniel sends another night guard this time Jacob who was looking for a job so jacob did all of the tasks left by Daniel everything was going well until jacob hears knocking noises coming from the halls it was the two new animatronics a female human named Alex and a female black skeleton named skelly they both scratch and bites Jacob but jacob destroys them both with a Axe he found in the chest containing the books written by fritz. Then out of no where zom and ms c attacks jacob this time they stabed jacob in the feet with a knife and stomped him but daniel sprayed soda on them and they both malfuctioned. After defeating both Mr bones and Steve with no effort he hears a voice coming from the blocked up saferoom he destroys the boxes revealing the entrance of the safe room. Suddely he gets attacked by Octavia who is still alive and now called tealtrap Octavia stabs jacobs left arm and proceeds to BITE him before she can bite jacob, Jacob stabs hes axes onto tealtraps head she screams in pain then jacob pulls out a mach and litter and burns the procides building to the ground. Jacob ran for hes life and never returned to the place ever again

Zoms pizza and fun burn down in November 20th 2006. The police investigated the Burnt down building but they havent found the culprit or tealtrap so daniel decided to make the now abandoned goldie para diner into a horror attraction called zoms spooky Booky haunted pizzaria. After alot of legal nonsense and letters he send to danny the place was opened it

was very dirty moss everywhere and animatronic parts all over the ground and the smell was very weird. Jacob decided to work there under the name jake winbelton. All was going well until he heard a Scream true the halls it was tealtrap he lunged towards jacob but jacob manage to duck the attack. Jacob ran true the halls and decided to hide in the parts and service room in there, there was golden frankburt lying there

motionless suddenly teal trap chocks Jacob and stuffs him into frankburt the springlock attivated and Jacob was impaled and blood splatered everywhere. Octavia realizing this isnt Daniel, Octavia ran back to the basement. The end of #2
